

UPLB DATA SCIENCE GUILD

University of the Philippines Los Banos
College, Laguna 4031

I. Event Details

Event Title: UPSkill

Theme: From Filings to Insight: Hands-on Data Science with Real Market Data

Nature of Event: Educational and Informative

Date & Time: September 17, 2026 | AM 9:30-12:35 | PM 2:30-6:00

Type of Activity: External Workshop (Applicants Workshop)

Venue: 1st Option: [TBD onsite] | 2nd Option: Zoom

II. Event Team

Event Head: Galvin M. Gonzales

EIC: [TBD]

Program & Technical Committee: [TBD]

Documentation & Communications: [TBD]

III. Objectives

1. Encourage applicants to know more about data science - what it is, what problems it solves, and how it shows up in real Philippine datasets.
2. Give applicants a glimpse of Guild workshops using a pipeline-shaped activity (collect -> clean -> analyze -> communicate).
3. Provide hands-on experience: wrangling tabular data and building a small stock screen from prepared PSE-style financial metrics.

IV. Work Distribution / Committee Task

Program & Technical Committee

Pre: tech, back-up tech, hosts, venue/Zoom, script, evaluation & attendance forms. During: tech support, hosting, attendance, evaluation collection. Post: tech tear-down / venue clean-up.

Documentation & Communications Committee

Pre: speaker certificates & credentials, PPT packaging, optional onsite food/holders. During: evaluation forms, speaker food/tokens. Post: financial report, docs archive, certificate follow-through.

V. Program Preparation Timeline

Activity	Date	In-Charge	Status
Finish Proposal	Sep 7, 2026	Event Head	In progress
Present Proposal to Exec	Sep 8, 2026	Event Head	Not started
Speakers Meeting	Sep 10, 2026	Event Head, EIC	Not started
Speaker credentials sheet	Sep 11, 2026	DCC	Not started
Speakers Draft Presentation	Sep 10, 2026	Speakers	Not started
Review Presentation	Sep 11, 2026	PTC	Not started
Practice with PTC	Sep 13, 2026	Speaker, PTC	Not started
Powerpoint deadline	Sep 13, 2026	DCC	Not started
Script deadline	Sep 13, 2026	PTC	Not started
Certificates for Speakers	Sep 13, 2026	DCC	Not started
Attendance Forms	Sep 14, 2026	PTC	Not started
Evaluation Forms	Sep 15, 2026	DCC	Not started
Dry Run (exec as applicants)	Sep 16, 2026	EIC/Speaker/Head/PTC	Not started

Note: Single-day AM+PM format gives breadth (foundations) then depth (Python). Dry run is the day before the event.

VI. Program Flow

Topics: [1] AM Spreadsheet Foundations; [2] PM Python Mini Stock Screen. Date: Sep 17, 2026. Mode: onsite preferred with Zoom backup.

AM Workshop - Spreadsheet Foundations

- 9:30-9:45 Ingress / PTC assembly
- 9:45-10:00 Assembly of Applicants (EIC, Head)
- 10:00-10:10 Hosts introduction & workshop purpose
- 10:10-10:15 Opening Remarks (EIC)
- 10:15-10:20 Introduce AM speaker
- 10:20-10:30 Intro to Data Science & pipeline story
- 10:30-11:20 Spreadsheet foundations proper
- 11:20-11:30 Q&A
- 11:30-12:20 Guided activity (clean extract -> chart)
- 12:20-12:30 Certificate for speaker
- 12:30-12:35 Close AM / PM tool-install reminder

PM Workshop - Python Mini Stock Screen

- 2:30-2:45 Ingress / PTC assembly
- 2:45-3:00 Assembly of Applicants
- 3:00-3:10 Hosts welcome-back
- 3:10-3:15 Introduce PM speaker
- 3:15-3:30 Jupyter + Pandas discussion
- 3:30-4:20 Hands-on load/clean/screen
- 4:20-4:30 Q&A
- 4:30-4:50 Applicant threshold activity
- 4:50-5:30 Short share-outs
- 5:30-5:40 Q&A
- 5:40-5:45 Certificate for speaker
- 5:45-5:55 Closing Remarks (Head)
- 5:55-6:00 Hosts closing
